Dr. Gerald Vale has enjoyed a long and varied career in dentistry. After four years as a general dentist he earned a master’s degree in orthodontics and practiced that specialty in Hollywood for 18 years. During that time he also earned degrees in public health and in law. He then became Director of Dentistry at L.A. County/USC Medical Center for 23 years and also served as vice president of the Dental Board of California. Dr. Vale has taught at the USC School of Dentistry for over 30 years. He was Interim Dean from 1999 to 2000. In addition, he was Chief Forensic Dentist for the Los Angeles Department of Coroner from 1968 to 2008 and testified in well over 200 criminal trials.

Course Outline:
1. How will the new laws on duties of auxiliaries impact your practice?
2. What other recent changes in the DPA are important to you?
3. The present scope of dental practice: what can you do – and not do?
4. What are the current requirements for license renewal?
5. Violating the Dental Practice Act and the resulting punishment
6. Your responsibilities re. abuse of children, elders and dependent persons
7. Laws governing the prescribing of drugs
